OCCUPATIONAL SAFETY AND HEALTH APPEALS BOARD

Summary of AC Framers – Decision After Reconsideration

Employer filed a Petition for Reconsideration 36 days after the Decision was issued by the Administrative Law Judge. Since Labor Code section 6614(a) only extends jurisdiction of the Board to 30 days after a decision is issued, plus 5 days for mailing under C.C.P 1031 and Board Regulation 348(c), the Board lacks jurisdiction to consider the Petition, and it was therefore denied.
